4-H Medallions

A Kansas Award Portfolio (KAP) is done on one specific 4-H project and highlights all the great work a 4-H'er does in the project over the course of the 4-H year. A KAP includes a story summarizing the 4-H member's work, goals, project experiences, leadership and citizenship experiences, awards and recognition, non-4-H related leadership and citizenship that pertains to the project and photographs. 4-H'ers receiving a 4-Leaf Medallion completed the KAP to receive this award and range from the age of 7 to 13 years old.

Club and Member Awards and Recognition

Club Seal

A seal is awarded to a 4-H club each year requirements for a seal are met. The seals, ranked in ascending order of difficulty, are: white, red, blue, and purple. 4-H clubs may try for any seal without regard to the seals previously received. Part One component of the Club Seal is the report of club projects. The project must fall into one of the following categories: Health, Conservation of natural Resources, Safety, Recreation, International Focus, Citizenship, Emergency Preparedness, Ecology, Pollution Control, Leadership, or Community Service. The category that the club participated in will be listed next to the Club Seal color in parenthesis.

Club Leaders

Each Johnson County 4-H club is required to have at least two club leaders. These volunteer leaders dedicate a lot of time to ensure that all the club's needs are met. Johnson County 4-H clubs would not be possible without these wonderful volunteers.

Membership Pins

Membership pins are designed to recognize youth for achieving a certain level of participation in the 4-H program. This is not a competitive process. All youth who complete an application and whose application is judged as complete will receive a recognition pin.

Officer Pins

Depending on the office, 4-H'ers will be required to attend a certain number of meetings or complete an officer book to receive this award. Officers are elected in their club at the beginning of each year.

Leader Pins

These pins are to recognize project leaders and other volunteers within the club. Their first year and then in 5 year increments leaders are recognized for their years of service.

Camp Counselors

4-H camp is possible because of our volunteer counselors. Each year Farm Bureau sponsors awards for the teen counselors as a small token of appreciation for all they do at Fantastic 4-H camp. We also want to recognize the adults that served as counselors at Fantastic 4-H Camp as well as the Wild Clover Camp counselors.

Inbound Exchange Host Family

States' 4-H International Exchange Programs (S4-H) collaborates with participating states (including Kansas) in coordinating 4-H exchanges for 4-H members 12-18 years old with partner organizations. Current partner organizations include Labo, LEX, and Utrek in Japan; Future Leaders Exchange (FLEX) in the U.S. State Department; Finnish Suomen 4-H-Litto; National 4-S Foundation of Costa Rica; Norske 4H; Korean 4-H, and the municipal government of Lincoln, Argentina.
