**LARRY JUSTICE**

On behalf of the foundation board, I would like to thank each and everyone of you for making the 25th anniversary celebration and major fund raiser a huge success. With your generosity, the funds raised will allow the foundation to financially support the educational activities of K-State Research and Extension in a responsible way. After being restricted for two years from having social events, it was great to be able to have a gathering for such a worthy cause. The pictures in this newsletter capture some of the good times had at the event that was held at the Johnson County Arts and Heritage Center on August 27. Enjoy!
