Jan Sungail Janice Ward Barbara Willson Dear JCEEF Members & Donors,

On behalf of your foundation board, I would like to thank all of you who have renewed your memberships this for this year. It has been gratifying to see that several the memberships are coming in at the Platinum Benefactor level. Your support for the foundation allows grants to be made for worthy projects supporting the educational aspects of Extension.

For the first time this year ribbons, that can be attached to your name badges, are being provided so you may let others know of your membership. We hope that you will display them with pride.

We hope to see you at the dinner and auction on August 27.
